

NZ PRIMARY INDUSTRIES

TRAINING AND QUALIFICATIONS FLYER

The following information has been compiled for school leavers seeking to further their knowledge, training and experience in the Primary Industry sector. The sector requires a diverse range of skilled people to innovate and grow New Zealand's Primary Industries.

Agribusiness in Schools and HATA (Horticulture and Agriculture Teachers Association) have gathered information about a wide range of scholarships to help you fund your study or training in areas relevant to our food & fibre sectors. Offering financial support, diverse fields of study, skill-building and relevant industry knowledge, these are opportunities you don't want to miss out on! Click the link to apply.
